

Around The World With Paddington Bear

Synopsis:

Synopsis: Children follow Paddington's trip from Peru to visit different places. They recount his experiences and write a non-chronological report about one of the destinations. In English, they write their own traditional tale with a twist.

In Science, children explore micro-habitats and what lives there. In Geography, children develop their atlas skills to identify continents and countries. In Art, children use textiles to stitch a bag for Paddington.

Curriculum areas: English, Science, Geography, Art and Computing Length of theme: 6 weeks
